Your Freshwater Railway fare is valid for free or discounted travel on many local transit systems. See www.fwrail.org or look for information at the rail station. The journey begins!

THE TRAIN HAS ARRIVED.

Freshwater Railway is Southeast Michigan's Regional Rail System. From Dexter to Davisburg, Mt Clemens to Monroe, it's never been easier to access your favorite places.

Not so long ago, our region suffered from a severe shortage of choices. We poured billions into a long-outdated transportation system that focused almost completely on cars. Core cities shriveled, natural green spaces became generic paved spaces – all while personal and public expenditures on transportation soared. For all of this, our population stagnated and our economy sputtered.

Freshwater Railway is part of the solution. We're one component of an emerging multi-modal transportation network. It's a smarter, more flexible, less costly path to economic growth and personal choice. The new network absolutely includes cars – just as it includes trains, planes, buses, bicycles, boats, horses, feet, and anything else that moves you.

Transportation choices affect your lifestyle. And we think that choice should be yours. Welcome aboard.
